

# ROLL UP DELUXE

The Roll Up Deluxe is our top of the line banner stand. Roll Up Deluxe has several key features, making it a superior banner stand for retail, POP and trade show graphics.

Upgraded benefits include a telescoping adjustable pole (63" - 86.6"), storage inside the base for the pole and top bar and a knob to adjust the tension on the graphic. The top panel profile clamps your media securely in place, without the need for adhesive strips and the pole attaches to the top panel from behind, no unsightly hook hanging on the top of your graphic!

Complete with carrying bag, the Roll Up Deluxe is ready to go!
