

SuperSmooth PET GreyBack is a non-curling banner with a grey back and supersmooth print surface, which makes it ideal for high resolution printing. The grey back-side prevents light transparency and shadowing making SuperSmooth PET GreyBack ideal for pop-up, roll-up, X displays, and an array of other close viewing, indoor applications. SuperSmooth PET GreyBack does not require lamination and is available in matte finish from 38" - 126" wide.

Material Details

CHARACTERISTICS	TEST METHOD	METRIC	ENGLISH
Support Cloth	DIN ISO 2076	Polyethylene terephthalate	
Yard dtex	DIN EN ISO 2060	N/A	N/A
