

Films

Product Safety Data Sheet **LEGACY CHROME**

Chemical Composition

Composition: 80-90% Polyethylene Terephthalate, Polyvinyl Chloride copolymer (1-5%); Silica (1-3%); Additive (1-3%)

Physical/Chemical Properties

Aspect: Satin sheet

Odor: Odorless

Solubility in water: Slight only coated surface

Specific Gravity: 1.33 ~ 1.45 g/cm²

Hazards Identification

Stability: Stable under ordinary conditions of use and storage; avoid heat, sparks, flames and other sources of ignition.

Materials to Avoid: Isolate from oxidisers such as permanganates and chromates peroxide.

Hazardous Decomposition Product: Carbon monoxide and carbon dioxide may emit when heated to decomposition.

Environment Hazard: This product is nontoxic.

Subchronic Hazard: No carcinogens listed by IARC, NTP, NIOSH, OSHA, or ACGUH to date, greater or equal to 0.1%

Personal Protection

Respiratory Protection: For most conditions, no respiratory protection should be needed. However in dusty atmospheres, use an approved dust respirator.

Eyes Protection: Use safety glasses.

Skin Protection: Any glove may be used for protection from mechanical irritation.

Handling & Storage

Precautionary Measures: Use protective equipment as described in this safety data sheet when handling uncontained material. Handle in accordance with good industrial hygiene and safety practices.

Storage: Warehouse storage should be in accordance with package directions, if any. Product should be kept clean, dry and in original package.

First Aid

Inhalation: Remove affected person into fresh air

Contact with skin: Wash exposed skin with soap and water.

Contact with Eyes: Immediately flush with flowing water for at least 15 minutes.

Ingestion: If ingested severe irritation of the Gastrointestinal tract may occur and should be treated symptomatically. Seek medical attention.

Fire Fighting

Fire Extinguishing Media: Water, foam, dry chemical, carbon dioxide

Fire Fighting Instructions: Wear protective suit and self-contained breathing apparatus with full facepiece operated in the pressure or other positive demand.

Disposal

Product: Incinerate disposal in accordance with Federal, State or Local regulations.

Use

Base material for digital printing
