

LEGACY ECONOMY MOUNTING ADHESIVE

Clear mounting adhesive that
bonds to a broad range of printed
substrates

- High-tack permanent adhesive on both sides
- Cost-effective
- Single release liner

- Mounting nameplates and backlit panels
- POP displays
- Promotional products

Product Structure

- Face material: 2.0 mil polypropylene
- Color and finish: Clear
- Adhesive: 99, high-tack permanent acrylic on each side
- Liner: 60# differential

Product Characteristics

- Adhesion Values - Ranges

	15min	24hr
(PTSC-1, 180° peel @ 12"/min; 73°F on stainless steel)	32-48oz	40-55oz
- Minimum Application Temperature Range: 32°F - 120°F
- Service Temperature Range: -65°F to +225°F
- Shelf Life (@73°F, 50% RH): 1 year
- Outdoor Durability (ASTM G53): 6 months under limited ultraviolet light exposure

Chemical Resistance

- No effect on the following: distilled water (24hr); detergent (24hr); 10% HCl (10 min); 10% ammonium hydroxide (10 min); anti-freeze (24hr); SAE 20 motor oil (24 hr); and gasoline (1hr)

Available Sizes

- 51"x200'

Part Number

- LG A02 ADH1019 5100C
